blume

Blume Supply Inc.

itsblume.com

Justin Osborne, VP, Sales: Justin@itsblume.com • **Year established:** 2018 • British Columbia

Company Snapshot

- A kinder approach to wellness — Blume is a proudly Canadian, women-owned brand built on the belief that feeling good shouldn't be complicated.
- Two product lines — SuperBelly, a gut health + hydration powder packed with probiotics and superfoods, and a line of Superfood Lattes — nutritionist-backed coffee alternatives for energy, sleep, and calm.
- Clean ingredients — Made with superfoods, is low or no caffeine, and is formulated with nutritional experts. Blume is also plastic neutral.

Certifications:
Organic, Non-GMO, Plastic Neutral, Woman-Owned

Storage Type: Dry / Ambient

Export Experience: USA

Product Level of Recognition in Canada:
Nationally recognized brand

Commercial Capabilities:
Custom product development, Custom packaging / pack sizes, Flavour / formulation customization, Bulk formats

Key Attributes

Organic: Blume formulates with certified organic ingredients across their superfood latte and SuperBelly lines, prioritizing clean, traceable sourcing without artificial fillers, sweeteners, or additives.

Health & Wellness: Every product is nutritionist-backed and built around a functional benefit — gut health, hydration, energy, or sleep — making Blume a daily wellness ritual rather than just a supplement.

Premium Quality: Each formulation goes through extensive R&D with nutritional experts, uses clinically studied probiotic strains, and is held to a standard that has earned 4.8-star ratings across thousands of reviews and placement in premium retailers like Whole Foods Market.

Unique Canadian Ingredients: Proudly Canadian-owned and operated, Blume draws on Canada's rich natural landscape to craft superfood blends that feel distinctly rooted in the North — think adaptogens, botanicals, and flavour profiles that reflect a clean, nature-first ingredient philosophy.

Products

- Blume Strawberry Hibiscus SuperBelly
- Blume Mango Passionfruit SuperBelly
- Blume Blue Lavender Superfood Latte
- Blume Reishi Hot Cacao Superfood Latte
- Blume Matcha Coconut Superfood Latte

Jo-Ann Cleary, Global Business Development: joann.cleary@prestigemaple.com • **Year established:** 1995 • Quebec

Company Snapshot

Prestige Maple Products Inc. produces and exports 100% pure Canadian maple products globally, ranging from the full portfolio of Grade A maple syrups to industrial-grade granulated maple sugar and flakes. The company combines authentic regional craft with product innovation—including barrel-infused syrups, fine maple wines, and non-alcoholic sparkling mocktails—serving international retail, food service, and industrial partners with versatile packaging options from specialty glass to bulk totes

Certifications: BRC, GFSI, Organic, Halal, Kosher, Gluten-Free, Non-GMO

Storage Type:
Dry / Ambient

Export Experience:
Europe, Middle-East, Asia, Oceania

Product Level of Recognition in Canada:
Emerging brand with strong growth

Commercial Capabilities:
Private labeling manufacturing, packaging / pack sizes, Bulk formats

Key Attributes

Organic: Certified pure Canadian maple products produced without synthetic fertilizers or chemical additives, ensuring complete natural purity from tree to table.

Premium Quality: Crafted under strict single-origin quality standards and rigorous Grade A classifications to deliver consistent clarity, rich flavor, and exceptional performance.

Health & Wellness / Better for You: A naturally unrefined, plant-based sweetener packed with essential minerals, antioxidants, and a lower glycemic index than refined white sugar.

Unique Canadian Origin: Harvested directly from pristine sugar maple forests in Quebec, Canada—the world's foremost region for authentic, heritage maple production.

Products

- Maple Syrup- Organic & Conventional
- Maple Granulated Sugar
- Maple Sugar Flakes
- Maple Spread
- Maple Infused Syrup: Vanilla, Bourbon & Pumpkin Spice

Key Retail Accounts

Private Label & Store Brand Partners: Major Supermarket Store Brands: Extensive contract manufacturing and co-packing operation providing custom-packaged maple syrup, spreads, and specialty products under major private labels across North American and international retail networks.

Industrial & Retail Private Label Programs: Customized formulations and bottle designs—from specialty glass formats to HDPE jugs—tailored to client-specific private label branding requirements.

Foodservice & Commercial Distributors: Broadline Foodservice Distributors: Regional and global distributors supplying hotel chains, restaurant groups, catering companies, and commercial bakery networks.

Industrial Ingredient Wholesalers: Specialized B2B ingredient distributors supplying commercial bakeries, confectionery makers, and beverage manufacturers with standardized organic maple sugars, flakes, and syrups.

Direct E-Commerce Storefront: Direct-to-consumer online distribution channels and global digital retail platforms.

SALT SPRING™ COFFEE
Organic, Fair Trade.

Salt Spring Coffee Inc.

saltspringcoffee.com

Jerin Mece, Head of Sales: jerin@saltspringcoffee.com • **Year established:** 1996 • British Columbia

Company Snapshot

Canada's 1st Regenerative Organic Certified Coffee

SQF Certified Facility, Certified Organic, Certified Fair Trade. We start by sourcing the highest quality, organic, green coffee beans. We rigorously test the beans for moisture content and ensure they are free from all mold and mycotoxins. We then roast the beans by hand and expertly blend the varieties for distinctive tasting profiles. The result is a uniquely rich, smooth cup of coffee.

Family owned and operated, founded in 1996 by Mickey McLeod and Robbyn Scott on Salt Spring Island, British Columbia, Canada.

One of the largest independently owned coffee companies in Canada that roasts over 2 million pounds or organic coffee yearly. We have 30 years experience roasting quality, organic coffee.

Our mission is to change the world for the better through coffee. Our purpose is to flourish with our communities, and regenerate the earth, from crop to cup.

Certifications: Regenerative Organic Certified Coffee, Organic Certification (Canada & US), Fair For Life Certified, SQF Certified Facility
